Glove & Safety

DISPOSABLE WEAR & GLOVES

Eastern Glove & Safety's Protective Clothing

is constructed of tough, composite fabric that combines breathable Microporous Film and soft Non-Woven Polyolefin.

Eastern Glove & Safety's Protective Clothing provides an effective barrier against particulates, aerosols and liquids while maintaining wearer comfort. All styles feature Serged Seams and Reinforced High-Stress Areas.

Eastern Glove & Safety's SMS Coveralls are made with durable, yet breathable SMS fabric. SMS is composed of three layers of Polypropylene material. One layer of Melt blown Polypropylene is sandwiched between two layers of Spunbonded Polypropylene. This unique fabric configuration gives our SMS Coveralls outstanding abrasion resistance and protection from non-hazardous liquids and particulates.
